Goldmann&Partners, just one year after obtaining the B Corp certification, gets the global Best for Overall award.

The seven architecture companies that received the global Overall award in 2018 have been selected from all participants from 92 different sectors and 30 countries.

Goldmann & Partners is among them the only sustainable design and project & construction management company in the world outside the American continent.

Winners of the B Corp Best For The World Overall award are the best in all categories based on their verified positive impact on communities, the natural environment, workers and more.
